

SAKE TASTING SET

If you would like to try some Sake with a little amount each,
This Sake tasting set would suit you. You will have 3 different grades of the
Sake classification, JUNMAI, JUNMAI-Ginjo, Junmai-Dai-Ginjo. Enjoy it.
33 (45ml each of 3 Sake. Please choose 3 sakes from below.)

黄桜 濁 にごり酒 - 京都

Daku Cloudy Sake - Kizakura from Kyoto, 180ml 21, 720ml 82

DAKU means Cloudy in Japanese. Cloudy sake, officially called NIGORI sake, It is pressed and divided into clear sake and the white lees. The taste is SEMI SWEET and mild with fruity nose in a perfect balance when it's brewed with the world-famous Kyoto soft water Fushimizu.

大山 特別純米酒 十水 - 加藤嘉八郎酒造 山形 180ml 21, 720ml 82

Oyama Tokubetsu Junmaishu TOMIZU from Kato Kihachiro Shuzo, Yamagata

The nose on this Junmai that drinks very much like a Ginjo is an array of white grape, apple, pear, cucumber and berry essences. A super flavorful sake that drinks silky smooth and juicy but is not overtly sweet. There is a little astringency that speaks to wine drinkers and a smaller cup highlights the flavor ride.

一本義 伝心 雪 純米吟醸 - 福井 180ml 34, 300ml 54, 720ml 134

Ippongi Denshin Yuki Junmai-Ginjo from Fukui

This Sake has a subtle nose, lightly floral, clean and light taste, with tantalizing hints of fruit and steamed rice. Very smooth with a lengthy finish.

七田 純米酒 天山酒造 佐賀 180ml 36, 720ml 142

Shichida Junmai - Tenzan Brewing Company From Saga

This sake is Chef Shun's favourite Sake. It is clean and dry taste with fruity aroma. I remember when I got first sip of this Sake, Wow! I liked it straight away. It has a calming, sweet aroma, reminiscent of honey, as well as refreshing aroma of green apple. A refined, mild acidity completes the palate.

瀬祭 純米大吟醸 4割5分 - 山口 180ml 34, 300ml 54, 720ml 134

Dassai Junmai-Daiginjo 45 from Yamaguchi

*Rice milled to an astounding 45% of it's original size.
On the palate, the apple flavour continues to inject acidity, but it is tempered with strawberries and cream, and sweet peaches. Smooth and delicious. Barely-there dryness in the finish.*

浦霞 純米酒 - 宮城 180ml 25 300ml 41, 720ml 98

Urakasumi Junmai from Saura, Miyagi

This Junmai fits perfectly into the category of medium-dry. It has soft nose of rice and dried leaves and has a pale-yellow sheen. It is subtle yet elusive, and all the while it sits remarkably well on the palate. This sake epitomizes a perfectly balanced sake.

UMESHU TASTING SET

Umeshu is Japanese plum wine, we have it as Aperitif or Dessert wine in Japan. The taste is sweet and sour, and we have little different versions as well. So, if you would like to try bit of all, this tasting set is perfect for you. Or if you are full when you finished your meal, but would like to have something sweet, will be good.

(45ml each of 3 Umeshu. Please choose 3 Umeshu from below) 33

チヨ一ヤゴールドデン梅酒 Choya GoldeUmeshu (45ml 12)

Umeshu is a traditional liqueur that has been made by Japanese families since ancient times by macerating ume (Japanese plums) in distilled sugarcane spirit. Founded in 1914, Choya is the most well-known umeshu producer in Japan. Profile: syrupy, slightly acidic. Plums in all their forms: partially dried, very ripe and perfectly sweet. Notes of spices (cinnamon) and almonds.

チヨ一ヤ黒糖梅酒 Choya Kokuto Umeshu (45ml 11)

Choya blend Japanese plum with unrefined sugar called KOKUTO or KURO-ZATOU, rum and black vinegar to make its taste rich, sweet & even a bit smoky. You could enjoy drinking this on the rock as a desert or even top it on vanilla ice cream for the extra sweet & rich flavour. Its just like a heaven.

チヨ一ヤ宇治茶梅酒 Choya Uji Green Tea Umeshu (45ml 10)

Choya blend 100% Japanese premium plum & Kyoto Uji's premium green tea leaves together to make this beautiful green tea flavour Umeshu. With its refreshing fragrance, light soft touch on your palate & smooth long semi dry finish, you would enjoy this unique umeshu with most of Japanese dishes. Drink straight in chill or mix with Ice. Lower in alcohol than the normal Choya.

般若唐 一本義

Hannyatou Plum Sake with Chili (45ml 12 150ml bottle 35)

Take a sip, and following the initial full-bodied sweetness enjoy the bold spicy flavor afterward, then spreads through your mouth.

Guaranteed before now you've never experienced a flavor quite like this.

JAPANESE SHOCHU

黒霧島 芋焼酎 – 宮崎 25% ALC/VOL

Kuro Kirishima - Sweet potato distilled spirits from Miyazaki 13

This Imo- Shochu has an aromatic, smooth, savory flavor with a hint of sweetness with a clean and dry finish.

しろ-白岳 本格米焼酎 – 熊本 25% ALC/VOL

Shiro Hakutake - Rice distilled spirits from Kumamoto 13

The #1 selling premium rice shochu in Japan - Hakutake Shiro Kome Shochu - is clean and easy with an elegant aroma and a soft mouthfeel. Takahashi Shuzo makes it with water from the Hitoyoshi basin, which is high in minerals, and flavorful rice.

Makes a perfect low-calorie vodka replacement in cocktails.

十割 そば焼酎 – 宮崎 25% ALC/VOL

Towari – Buckwheat distilled spirits from Miyazaki 13

Rich, nutty, roasted shochu. The aroma is completely roasted grain while the toastiness turns sweet on the tongue. A sharp grassy finish brings you to the heart of the soba grain. Water mellows these flavors considerably and opens a buttered caramel popcorn flavor that's delicious.
